The Fees set forth are the minimum fees required. The New Milford Zoning Commission reserves the right to hire, at the applicant's expense, outside consultants, of the Commission's choice in its sole discretion, including but not limited to attorneys and engineers, to assist in the review of any application submitted to the Zoning Commission or the Zoning Enforcement Officer. If the Commission or its staff believes the cost of processing or reviewing an application will exceed those fees set forth above, the Commission may require additional fees be paid at the time of application. When the actual cost of processing and reviewing an application exceeds the actual fees paid, the New Milford Zoning Commission shall bill the applicant for the actual excess amount. If all fees required herein are not paid, the Commission shall consider the application incomplete, and deny it. If the Commission approves an application with fees still owing, no zoning permits or certificates of zoning compliance shall be issued until such time as all outstanding fees are paid to the Commission. If the actual cost of reviewing and processing an application is less than the amount submitted by more than \$100, and the applicant has paid more than the amount noted in the fee schedule, the excess fees paid will be refunded to the applicant, upon request.

The New Milford Planning Commission will contact you to present your application to that Commission.
